

There's Money in There

Commercial/Industrial Rebate Programs

from Minnesota Energy Resources are your chance to save big in 2010. How big? How about a **\$2,500 rebate** on a new hot water space heating boiler? Or, a **\$500 rebate** on a convection oven? And, by taking advantage of our Custom Rebate Program, you could **save thousands** more. Act now to reduce energy and **lower your monthly bills**.

Rebates and programs worth looking into
