

## The 20th Annual E Source Forum & Exhibit

September 25-28, 2007

St. Julien Hotel, Boulder, Colorado

---

The annual E Source Forum & Exhibit is widely regarded as one of the premier meetings in the energy services industry. Held exclusively for E Source members and invited guests, the Forum typically brings together more than 250 delegates from utilities and other energy service providers as well as power marketers, corporate energy managers, representatives from state and federal energy agencies and national labs, and others involved in redefining how energy is delivered, purchased, and used.

---

### 2007 Forum

This year's Forum will offer insights on innovation in utility marketing, best practices in energy-efficiency and demand-response programs, ways to improve utility customer service, the latest corporate energy management strategies, and our expert assessment of new end-use technologies and trends. In addition to keeping you current on today's critical issues, the Forum continues to foster collaboration and peer networking in a friendly, collegial atmosphere. To register or learn more, click the links below or contact [Janice Field](#), manager, E Source Conferences & Fulfillment, at 303-345-9112.
