

How to Change Your Utility's Culture

Advice from Transformational Change Expert Bob Tipton

By Keenan Samuelson

January 9, 2018

At the [2017 E Source Forum](#), transformational change expert Bob Tipton from R S Tipton talked about how to start the process of shifting your organization's focus to be more customer-centric. It all hinges on communication and employee engagement to change behavior. Watch his full presentation to get ideas and inspiration.
