TERMS AND CONDITIONS FOR EXHIBITORS AND SPONSORS

1. Payment policy: Full payment is due within 30 days of the completed application. If full payment is not received on or before September 15, 2026, E Source has the authority to release the booth/sponsorship for resale.

2. Cancellation policy: Exhibitor/sponsor cancellations must be received in writing on or before July 7, 2026 to receive a refund. Cancellations received after July 7, 2026, or no-shows will not receive a refund. Exhibitor/sponsor agrees to these conditions as part of a contract for exhibit space/sponsorship. Substitutions within your organization may be arranged at any time.

3. Booth placement: Booth selection will be offered on a first-come, first-served basis.

4. Use of exhibit space: All demonstrations or other activities must be confined to the limits of the booth and not impede traffic or interfere with other exhibit displays. Exhibitor shall not assign, share, or sublet any space allotted without the written consent of E Source management.

5. Distribution of circulars or promotional material: Materials may be distributed only within the booth assigned to the exhibitor presenting the material. Circulating or handing out promotional materials outside of an official Forum exhibit/sponsorship is prohibited.

6. Use of hotel meeting rooms: The use of on-site rooms for client meetings, technology demonstrations, or other business activities during the 2026 E Source Forum is prohibited.

7. All participating E Source Forum sponsors and exhibitors agree not to schedule any competing social or related activities during Forum hours, including evening hours when there are scheduled functions that are part of the official Forum program. If your company intends to host any activity or meal, you must seek permission from E Source prior to planning the event to ensure it doesn't compete with other Forum activities.

8. E Source Forum is a closed event. Attendance is open only to our utility members, supporting utility partners, and other utility industry professionals at the discretion of E Source management.

9. E Source Forum is a unique utility industry event. The event and its program are designed to provide an outstanding experience for all Forum participants, including utility and solution provider staff. E Source management reserves the right to deny future event participation for any attendee who chooses not to follow the Forum rules and guidelines.

10. In the event your company is acquired by another company after you have paid for an exhibit booth or sponsorship, you may redistribute that exhibitor/sponsorship fee to another opportunity at the same event (for example, if you paid for an exhibitor booth, you may request that your fee be applied to a sponsorship under the new company name instead). Any changes made by exhibitors and sponsors, including the scenario described above, or withdrawal from the event is subject to our cancellation policy.

11. All registrants for your exhibit/sponsor package must have the same email domain.

12. All logos, speaker headshots, and speaker bios must be received by August 28, 2026 to be included in digital and printed signage.

13. All participating E Source Forum sponsors and exhibitors agree to the E Source Forum Teaming Agreement to be sent via email.
