2018 E Source Summit for the Tennessee Valley

**What do these companies have
in common?**

in·ter·me·di·ar·y

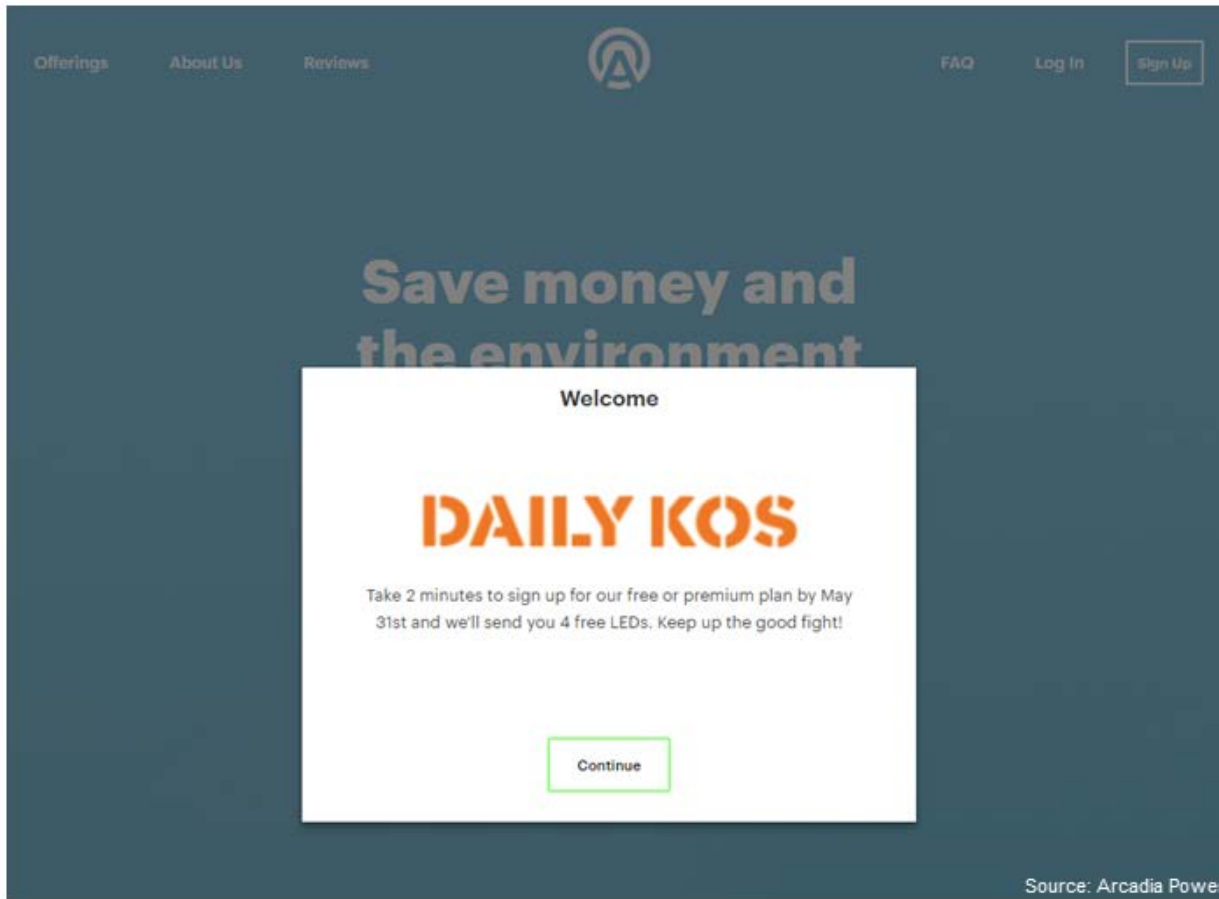

What other
intermediaries can
you think of?

Examples within the utility industry

- Energy-use tracking and savings opportunities
- Payment and billing options
- 100% renewable-sourced energy
- Available to renters and homeowners in the Tennessee Valley

Have you
encountered
Arcadia Power?

We're putting power in the hands of the people

We started Arcadia Power to give everyone the chance to know - and decide - what kind of energy they support.

The state of Massachusetts is on its way to running on 100% renewable energy.

Massachusetts is Going 100% Renewable

The state of Massachusetts is going 100% renewable within the next two decades. It is a huge feat, but they are on track to making it happen.
