

THE DOLLARS ADD UP

Restaurant owners receive an average incentive of \$2,477* by participating in the Power Smart Express program. The incentive, plus the money you save on energy bills each year, means you can reinvest back into what matters most – your business. And yes, that could include even more kitchen gadgets. Five minutes is all it takes to get started or to request more information about your potential savings.

Save power and money at bchydro.com/express

BChydro  **power**smart

*Incentive amount based on an average of 1,009 projects completed between 2010 and 2013.
